Keeping our Neighborhood looking its Best

A Few Easy Points to Consider

Trash: Please store garbage cans where they cannot be seen from the street

Recycle Bins: Please do not place them so they are blocking the sidewalk, this is dangerous to those walking in the neighborhood – they can be safely placed on the end of your driveway.

Mailboxes: Please arrange to have your mailbox replaced if it is missing its door or has significant rust damage.

Pets: Please pick up after your pet when walking them in the neighborhood.

'Tis the season for noisy fun! But it's important to remember safety and courtesy as well...Please use caution and common sense when using fireworks

Fireworks Safety Tips

- * Store fireworks in a cool, dry place away from the reach of children.
- * Always purchase your fireworks from reliable, licensed fireworks dealers.
- * Use in a clear, open area. Keep audience a safe distance away from the shooting site.
- * Safety glasses are recommended for those individuals lighting the fireworks or those in close proximity to the fireworks.
- * Do not alter any fireworks device or make your own fireworks.
- * Light only one firework at a time.
- * Never attempt to re-light, alter or fix any "dud" firework item.
- * Have a fire extinguisher, water supply, hose or bucket of water nearby.
